## THE NEWS

ACIP attended and contributed to the following meetings this month:

- We met with a PEI Government representative to potentially have on our board of directors.
- We connected with Safety NL to grow our board membership.
- ACIP and Parachute met to discuss possible venues for the 2025 National Injury Prevention Conference.
- ACIP connected with a PhD student from Memorial University about her research in Cannabis literacy around Atlantic Canada.
- ACIP hosted our monthly Seniors Fall Prevention Subcommittee with two new members.

## OUR GOALS THIS MONTH

- Grow our Community of Practice Membership
- Complete our 2023/2024 Annual Report (pending Financial Review).
- Organize a start-date for the MPH practicum student that ACIP is hosting.
- Present at the Canadian Public Health Association Conference, network, and promote ACIP, and our Community of Practice.
